FLERI〔2022〕NO.2

Notice on 2022 The First International English Vocabulary Challenge for College Student

In order to thoroughly implement the Ministry of Education “Opinions on accelerating the construction of high-level undergraduate education and comprehensively improving talent training ability” of the series of documents spirit, “2022 The First International English Vocabulary Challenge for College Student (IEVCCS)” is now jointly organized by I(M)IAR • Foreign Language Education Research Institute and Hong Kong Language Research Association. It is hoped that through high-level competitions, it will stimulate the interest of college students in learning English, discover and cultivate more talents with excellent English ability, comprehensively improve the comprehensive ability of college students to use English, and provide a stage for college students across the country to demonstrate their English vocabulary level and ability. Promote the quality of English teaching for college students at all stages to a new level.

The competition is open to domestic and foreign university students, and colleges and universities can use the winning results of this challenge as an important reference for the comprehensive evaluation of the comprehensive quality of college students. welcome to register for the competition!
